

Let's build the future of European HR!

Being different, being strong

EUR  TEMPS

EUROTEMPS

Eurotemps is the **first European partnership** among companies specialised in **HR services**, created to provide research, selection and personnel management services to enterprises in several countries.

Based on a specialised and strong know-how that rises from the synergy of the partnership, **Eurotemps** is able to promptly and efficiently react to the necessities coming from the companies in Europe, ensuring **competitive and high-quality services**.

It stands out for its **dual approach, local and global**: each Eurotemps member, rooted for years in its territory, maintains its own uniqueness and flexibility, answering specific client's necessities.

Thanks to Eurotemps, multinational companies can access specialised services through a **network of more than 400 agencies** distributed among Italy, Poland, Czech Republic, Switzerland and Hungary (**Oriente**), France, Luxembourg and Spain (**R.A.S.**), Portugal (**Talenter by Wellow Group**) and Belgium and Germany (**Asap HR**).

VISION

To be a partner for companies, offering high-quality HR management solutions.

WHY CHOOSE EUROTEMPS?

- Specialised team that supports the clients in all the phases thanks to its capillar presence on the territory
- Strong experience in all sectors
- Customised solutions based on the company's necessities
- Innovative systems for HR management
- Customised reports
